

Flevy PowerPoint Plugin, Free on LinkedIn, Creates Premium Business Documents with Advanced Diagrams

Flevy Tools Plugin Available Free For LinkedIn Users Who Share it on LinkedIn

(New York) Feb. 19, 2013 – Flevy, the online marketplace for premium business documents, today announced the release of a PowerPoint plugin that helps users create business presentations with professional and customizable business diagrams.

This plugin, Flevy Tools, automatically generates four types of diagrams that convey various types of information: Approach Diagrams, Step Box Diagrams, Harvey Ball Diagrams, and Gantt Charts. People who work in management consulting, project management, corporate strategy, marketing, IT, and finance use these diagrams to visually communicate business information.

The plugin is available free for LinkedIn users who share it on LinkedIn. Follow this link to the LinkedIn share button on Flevy's Website: <http://flevy.com/powerpoint-plugin>.

Flevy is a comprehensive knowledge base of all kinds of business documents, including Excel pricing models, business frameworks, functional PowerPoint templates, and business case templates. All organizations, from startups to large enterprises, can use the tools available on Flevy to jumpstart projects, find templates, or just to learn.

"Flevy was founded on the principle that companies waste a lot of time and money creating the same kinds of foundational business documents," said Dave Tang, Flevy's founder. "The Flevy Tools plugin can help anyone work smarter. From associates at top-tier management consulting firms to entrepreneurs developing business plans, Flevy Tools is the solution for business diagrams."
