FlevyPro Launches a Subscription Service for On-demand Business Frameworks and Analysis Tools (Released on Flevy.com)

(Manhattan) October 23, 2015 – Flevy has just launched FlevyPro (http://flevy.com/pro). FlevyPro is a subscription service for on-demand business frameworks and analysis tools. Subscribers receive access to an exclusive library of curated business documents—business framework primers, presentation templates, Lean Six Sigma tools, and more—among other benefits.

(More information about FlevyPro can be found here: http://flevy.com/pro.)

In the initial launch of FlevyPro, there are over 100+ documents, including Management Consulting Training Guides, Lean Six Sigma Templates, Business Framework Primers, Project Management Tools, PowerPoint Templates, Audio Interviews with SMB CEOs, and more. Subscribers will be able to submit and vote on requests of documents to be developed or acquired by the FlevyPro Team.

Flevy is the leading online provider of business frameworks, business methodologies, and business training guides. Flevy covers a wide breadth of corporate functions, from Corporate Strategy to Operational Excellence to Corporate Finance. The business documents found on Flevy are of the same caliber as those produced by top tier management consulting firms, such as McKinsey, BCG, Bain, Accenture, and Deloitte. Most documents were developed by seasoned executives and consultants with 20+ years of experience. Examples of the types of documents we have include business frameworks & methodologies, presentation templates, financial models, and more. In particular, we have a wealth of business frameworks. Business frameworks are in-depth business training guides—the same used by top global consulting firms when they deploy their consulting project teams to Fortune 500 companies.

About Flevy

Flevy is the marketplace for premium business documents. Documents range from business strategy frameworks to financial models to PowerPoint templates. These business documents are of the same caliber as those produced by top tier management consulting firms, such as McKinsey, BCG, Bain, Accenture, and Deloitte. Most documents were developed by seasoned executives and consultants with 20+ years of experience. Flevy was founded under the principle that companies waste a lot of time and money recreating the same foundational business

documents. All organizations, from startups to large enterprises, can use Flevy, whether it's to jumpstart projects, to find reference or comparison materials, or just to learn. Individual business professionals can monetize their business documents by listing them on Flevy.
